

Blackford County

Concerned Citizens Forum:

Embracing Opportunities for Community Health Part 1 in a series

Blackford County Concerned Citizens is taking action to address environmental health concerns raised by the community including testing soil and water and doing computer-based mapping.

Please join us for a presentation on our work to date followed by a light lunch and discussion.

10:00 AM - Noon
Saturday, April 25
City Hall, Harford City
Free admission; Donations gladly accepted.
